Cacio e pepe

Pecorino and black pepper

Time: 20 min **Difficulty: Medium** **Serves 2** **Vegetarian**

Ingredients

200 g	Tonnarelli or spaghetti
100 g	Pecorino Romano, finely grated
1 tsp	Black peppercorns, freshly cracked
To taste	Salt, for the pasta water

US cups and other serving sizes: see the recipe on foodfusion.

Method

1. Bring a large pot of water to the boil. Salt it lightly, because Pecorino is already salty. **(10 min)**
2. Toast 1 tsp of cracked pepper in a dry, wide pan for 1 minute, until it smells fragrant. **(1 min)**
3. Cook 200 g of pasta for 2 minutes less than the packet says. Keep a mug of the cooking water. **(8 min)**
4. Mix 100 g of Pecorino with a few spoons of cool water to make a thick, smooth paste.
5. Move the pasta and a splash of its water into the pepper pan. Off the heat, add the cheese paste and toss fast until creamy. Serve at once.
